CREATIVE KIDS + CLIMBERS

Come and learn how to write a story and create cool characters for your very own story book.

We'll write our story and illustrate our pages with cool designs.

Throughout the day we'll head to Basecamp for some indoor climbing!

Back at school, the full dayers we have some big games in the sports hall and make some coloured waffles.

GET SKI READY + SPLASH

Are you ski ready this season!?

Fit Collective put us through our paces and teach some fun exercises to get those mountain bodies ready.

Next we'll hit the Rec Centre for a swim in the pool and a play in the sports hall!

Full dayers relax at club with some LEGO Masters action - come build your part of the Kids Club City.

ICE SKATING IN ALEXANDRA

Off to Alexandra for some more fun on the ice!

Whilst at the rink, mini chefs will make some hot milos for everyone to keep warm and fueled.

Full dayers kick back at Kids Club, make some crazy popcorn flavours, do some colouring and watch a movie.

CAMPFIRE STORIES + SUPER SMORIES

Who's ready for smores!?

A morning in nature with huts, crafts and games at the Scout Den. We'll be crafting shrinky art by shrinking crisp packets in the oven to craft with.

In groups we'll make up a story by each adding a sentence from the last.

In the afternoon, kids build a campfire, tell their campfire stories to the group and make delicious smores!

PUPPET PLAY + PARADISO

Come get creative, make a puppet, a set and film your own short play.

For the non puppet masters, we'll be slacklining in the playground before heading to everyone's favourite cinema - Paradiso!

Lightyear is the movie of choice!

Full dayers continue with their crafty puppets or chill with origami and painting.
